

SIGNAGE STAND

assembly instructions

Hardware checklist:

- 1 x curved top section
- 3 x straight pole sections
- 1 x oval foot section

1

Connect the 3 straight pole sections together.

2

Attach the oval foot section and curved top section by sliding them onto the main pole.

3

Slide the fabric cover over the curved top and secure it by tucking the silicone edging into the groove on the underside of the oval foot.

SIGNAGE STAND

care instructions

Get the best from your **signage stand**
by following these simple care guidelines:

Ask a friend to help with assembly - four hands are better than two!

Assemble in a dry, clean area and wear the gloves provided when handling the fabric cover.

Position away from windows and back-lit areas to reduce show-through from the reverse.

Use indoors only.

Once assembled, avoid dragging across the floor. Doing so may cause damage.

If the fabric cover becomes dirty, it can be machine washed at 30° with everyday detergents. Cool iron, do not tumble dry.

All fabric components are fire retardant to B1 and M1 standards.
